

Royal Angkor Resort & Spa "An Eco Friendly Product"

The Royal Angkor Resort & Spa is a 5 year old Khmer Classical Designed Resort located in the heart of Siem Reap Angkor. The building is inspired by early 20th Century classical Khmer Architecture; consisting of 5 hectares of matured, selected Cambodian species of fauna & flora in a carefully manicured Garden. The Resort is furnished with handmade unique designed and classical sculptured furniture by the fine craftsman & Artisan from the older generation proud of its heritage and culture passed on from generation to generation. The quite ambiance of the resort is the most welcoming feature after a full tiring day exploring the temples of Angkor. The Royal Angkor Resort & Spa promotes a unique theme that center on the culture, heritage, food and the way of life of the Cambodian people. We called it *The Khmer Journey & Experience*.
